Food & Drink *in relaxed surroundings*

- Freshly cooked food is served. The style could be Thai, Indian, Scottish or Mediterranean...
- Looking for an original and authentic menu: we will gladly suggest and innovate you in preparing your desired menu for the evening.
- Champagne, wine or beer: choose your own or utilise Gerry and Susan's excellent knowledge. There is no corkage charge.
- Come to structured cooking classes and learn how to do a dinner party without the stress. Costs £125 per person, per day, including lunch, based on two people attending.
- Relax in beautiful surroundings. After dining, sit back and enjoy the atmosphere. This could be in the gazebo, or outside on the specially constructed wooden platform. Views across the valley are especially breathtaking.
- The Water Tower house has won a stack of awards. If you – or your clients – have an interest in it, give us some notice and we'll happily show you around.
- Situated close to Edinburgh City Centre, with Edinburgh Airport only a short distance drive on the Edinburgh City by-pass. The Water Tower and Restaurant offer a relaxed and tranquil setting for your chosen event.
